

You don't need extraordinary wealth to make a planned gift. Even a small amount can have a meaningful and significant impact over time.

Some believe they must choose between leaving a gift to charity or to family. You can do both! Many planned gifts can actually save your family money.

Donate Today

A donation of cash is the most direct way to support TPN. You benefit from a charitable tax credit while helping to end domestic violence and build healthy communities.

You can make your gift online at www.turningpointsnetwork.org or by sending a check or money order by mail to:

Turning Points Network
231 Broad Street
Claremont, NH 03743

If you're sending a check or money order, please let us know if you would like your gift to be used for a specific purpose.

By making a planned gift to Turning Points Network today, you help guarantee that decades from now survivors in Sullivan County will have access to safe shelter, sustainable housing and support services that help them overcome abuse and poverty.

Thank you for considering Turning Points Network as you make your estate plans. Donations to TPN are tax-deductible as allowed by law.

We encourage all donors to consult with their financial advisor or tax attorney before making any decision and discussing which best option is best for you.

501(c)(3) nonprofit, Tax ID 02-0350899

Preventing Violence • Promoting Respect • Strengthening Lives

It's Easy to Make a Legacy Gift

The Legacy Society

When you make a legacy gift, you will become a member of the Coffin-Mozden Legacy Society, named after longstanding benefactor Deborah L. Coffin and Deborah J. Mozden, former executive director.

You are not required to divulge any specifics of your bequest, and requests for anonymity will be respected.

"I trust in the leadership, vision and proven success of the programming and services TPN provides for the community. That is why I chose to leave a legacy gift."

—Deborah L. Coffin
Legacy Society Member
and Co-Founder

Gifts in Your Will

A gift in your will is one of the best ways to create a lasting legacy and to help TPN end domestic violence, and it won't cost you anything now.

Because each individual situation is unique, we encourage all donors to consult with their financial advisor or tax attorney.

The following language may help you and your attorney when drawing up a bequest:

"I give to Turning Points Network, a nonprofit corporation currently located at 231 Broad Street, Claremont, NH 03743, or its successor thereto, _____ * [written amount or percentage of the estate or description of property] for its unrestricted use and purpose."

Gifts by Beneficiary Designation

It's easy to put your bank accounts, retirement funds, savings bonds, and other financial assets to use in ending domestic violence—and it costs nothing now.

By naming TPN as a beneficiary of these assets, you create a lasting impact and directly support our mission of helping domestic violence survivors and building healthy communities. Your gift impacts survivors and becomes part of your personal legacy to the world.

To name TPN as a beneficiary of your retirement plan, contact your bank or insurance company to see whether a change of beneficiary form must be completed.

How to Change a Beneficiary Designation

- Login to your account or request a Change of Beneficiary Form from your custodian (business holding your money or assets.)
- Follow the links to change your beneficiary or fill out the form.
- Be sure to spell the name of our agency: Turning Points Network
- Include our tax identification number: 02-0350899
- Submit your information online or return your Change of Beneficiary Form to your custodian.

The 1% Difference

A gift of just one percent of your estate to Turning Points Network can be a very meaningful gift; five percent is even more so. One percent of \$500,000 translates into \$5,000. Five percent would be equivalent to \$25,000.

Gifts That Reduce Your Taxes

You can contribute these generous gifts for others and potentially receive tax benefits to enjoy for yourself.

QUALIFIED DISTRIBUTIONS

Donate a required IRS distribution directly to TPN through the IRA Charitable Rollover Extension. This type of gift has tax benefits for those required to take a minimum distribution but who do not need the income, allowing the donation without recognizing the transfer as income.

INVESTMENTS

Stocks, bonds, and mutual funds that have appreciated in value can support our shared vision of a world beyond domestic violence. You get an income tax deduction for the full market value of donated securities that you have owned for more than one year and avoid the capital gains tax on the appreciated value. You can also request a recurring gift from your Donor Advised Fund.

RETIREMENT ASSETS

A gift from an employee retirement plan, IRA, or tax-sheltered annuity is an excellent way to make a gift to Turning Points Network while shielding you and your heirs from taxes.

LIFE INSURANCE

Life insurance is a valuable asset for making a charitable gift without diminishing other investments or assets earmarked for family members.

REAL ESTATE

Appreciated real estate, such as a home, vacation property, undeveloped land, or commercial property, can be donated to reduce your taxes, protect your assets, and help end domestic violence.
